I agree with Evan's and before him Bob's inclinations to get the CT Program back to a more Agency-wide focus. As a matter of fact, I recall that during the 1982 planning process during the discussion on personnel, I asked that we reinstate a broader Agency focus for the CT Program. I believe we also talked in terms of needing to fill the DDO's needs first, but once they were back up to speed, I had hoped to see an Agency-wide program. I believe Gates had some ideas on how to structure it so that non-DDO candidates would have some but not all of the DDO-oriented training. Your nickel.
